If you are requesting to break the Housing License Agreement because of marriage, an official marriage or domestic partner certificate is required. **Please attach a copy of the certificate.**

Date of Ceremony: Planned Move Out Date:

Is your certificate attached? Yes No If No, when will you provide the certificate?

MEDICAL REASONS

Check this box if you are requesting to break the Housing License Agreement due to a medical condition. **Please submit a medical note from your physician stating your diagnosis, when you were diagnosed, if it was pre-existing or a new diagnosis, and why living off-campus will improve your medical condition. Also complete the Request to Break HLA Statement section on page 2 to describe the impact campus housing has on your condition.**

FINANCIAL REASONS

Check this box if you are requesting to break the Housing License Agreement due to financial reasons. Moving off campus to secure cheaper accommodations is not an acceptable reason for requesting to vacate the Residential Community. You must explain and provide verifiable documentation for the financial hardship that has occurred after you signed your license agreement and not within your ability to avoid. You must demonstrate that all resources have been exhausted to help resolve the situation. **Complete the Request to Break HLA Statement on page 2 with this information.**

PERSONAL REASONS

Check this box if you are requesting to break the Housing License Agreement due to personal reasons. *Reasons relating to your living arrangements on campus will require you having exhausted all of your resources or options on campus prior to your request being reviewed. If your reasons are due to non-University related events, then you must provide verifiable documentation supporting your case. Depending on the situation, you may be required to submit additional information, meet with a committee or with a REACH administrator. Complete the Request to Break HLA Statement on page 2, and attach your verifiable documentation. Indicate when your personal situation began.*

ACKNOWLEDGMENT

I have read the "Guidelines for Petitioning to Break the Housing License Agreement" and fully understand that Residential Education and Campus Housing does not recommend signing any off-campus lease until your Petition to Break the HLA has been approved officially. Any "intentional" behaviors resulting in your license agreement being terminated will suffer additional disciplinary and monetary ramifications. *If approved, a thirty days notice is required to avoid a \$250 service fee. Requests to vacate for the Spring semester need to be submitted by November 15 to avoid the \$250 service fee.*
