Suitemate Agreement

The purpose of this agreement is to help you generate expectations around *your lifestyle preferences, the use of common areas, and how to communicate effectively*. Some areas to focus on are the **Seawolf Commitment values (integrity, respect, excellence, responsibility), conflict, communication and sleep/study habits**.

We agree to abide by this suitemate agreement. We also understand that this is a working and living document and we reserve the right to change the agreement throughout the year in cooperation with all roommates, the Resident Advisor (RA), or Area Coordinator (AC) as necessary.
